

CAMP LOO DUTY CHECKLIST

It's your turn to do loo duty... Such fun! After a night on camp you need to check on the toilets and make sure they are clean and ready for the new day.

Tick off all the things you have done and bring the checklist along to our 10am Zoom call so we can see how well you have cleaned the loo.

- ☐ Use the toilet brush to scrub the inside of the toilet bowl
- ☐ Wipe down the toilet seat, lid and outside of the bowl
- ☐ Wipe down the sink, taps and mirror
- ☐ Make sure there is enough toilet roll and hand soap for the new day
- ☐ Empty the bin
- ☐ If the floors are dirty, give them a sweep and mop
