

1st Harwell (St. Matthew's) Scout Group
St. George's Day 2021 – Reduce Challenge

Activity	F5 – Grow your own		Badge Link	Beavers: Gardener, World, Adventure Cubs: Gardener, Adventure Scouts: Farming	
Aimed at	Beavers	Cubs	Scouts	Explorers	Family
Suggested Ideas	Grow your fruit or vegetables. You could choose either to grow from seed or to buy small plants from the garden centre. You will need to find out how to look after the plants and think about where you might grow them once they are bigger. You could start off with some easy-to-grow plants like salad leaves or courgettes and start them off in a self-watering planter like the one you may have made earlier.				
Links to ideas	https://craftyourhappiness.com/2015/04/28/unique-planters-from-soda-bottles/ Challenge: Could you take on part of an outside space and turn it into a vegetable plot? What plants might you grow?				
Resources required	Seeds Compost Plant pots Outdoor space or larger planters for when the plants are bigger.
