| Suggested Ideas | Create your own game to help others to reduce waste. Think about: <ul style="list-style-type: none"> • What type of game it will be (e.g. a board game, a running around game, a computer game etc.)? • Who will be playing it (a team, individuals)? • Will it be competitive or collaborative? • What will you need to play it? • How long will it last? | | | | |
| Links to ideas | You could base your game on a game you already know; Try searching the internet for ideas This is a good site for building computer games: https://hourofcode.com/uk/learn | | | | |
| Resources required | Try to use what you already have in your home Internet | | | | |
